
2009 CHICAGO BEARS FAN GUIDE

ONE CITY. ONE TEAM.

BRAND PROMISE

The Chicago Bears, a founding franchise of the NFL, uphold the values of the city and its people, uniting them as no other organization can.

WHO WE ARE

There is an indelible connection between the Chicago Bears, the city they call home and the fans who love them. Both Chicago and the Bears were founded on the belief that anything is possible if you're willing to work. And since the day George Halas started the franchise, that's what the Bears have done. Halas was a Chicago man. He was tough, fair and steadfast. He would not settle for second best. His city was second to none. The grit Halas showed while growing up in Chicago has carried through into a tenacity still seen at Soldier Field today. The Chicago spirit—a determined, authentic sensibility—lives inside every Bears player and every Bears fan. To understand the Bears, you have to understand Chicago. And to live in Chicago, you have to love the Bears.

ONE CITY. ONE TEAM.

It's no coincidence that the Chicago Bears have a lot in common with their hometown and its residents. It is a connection that spans generations.

For nearly a century, the city and team have shared a bond that has both weathered disappointment and celebrated victory. The Bears are the orange and blue thread weaved into the rich fabric of the city of Chicago. Truly, to be a Chicagoan is to be a Bears fan. It can be seen everywhere, from the streets of the city, to the suburban malls, to countless places where Chicagoans have carried their loyalty and passion. It's felt not only in the heart of the season, but in the height of the summer. Through sleet and snow. Through thick and thin.

The Bears show us who we really are and leave us united.
Stronger. One City. One Team.

4th PHASE

SUIT UP AND MAKE SOME NOISE CHICAGO. ONE CITY. ONE TEAM.

The first phase provides the offense. The second phase brings the defense. The third phase is truly "special." But the Fourth Phase makes it all matter.

Bears Fans are the 4th Phase and they provide the inspiration for everything the organization does, on and off the field. They motivate and inspire. They strongly express their opinions. They bring the noise to the city on Bears Sundays. In the stadium, at home or in a packed bar, cheering along with millions of others. They are the lifeblood of the Chicago Bears.

When the opponent steps onto the field, they don't just face a team. They face a city. Wins are celebrated – losses, agonized. But *always* as one team.

We will consistently deliver the best gameday experience for the best fans in the NFL in a safe, clean and friendly environment. Fans First!

Fight Song... BEAR DOWN, CHICAGO BEARS

Bear down, Chicago Bears,
make every play clear the way to victory;
Bear down, Chicago Bears,
put up a fight with a might so fearlessly.

We'll never forget the way you thrilled the nation
with your T-formation.

Bear down, Chicago Bears,
and let them know why you're wearing the crown.

You're the pride and joy of Illinois,
Chicago Bears, bear down.
